ITALIAN BED DESIGN

L’AZIENDA

Tutto ha inizio qui, in Puglia, sulle terre di Murgia. Dure, impenetrabili ma capaci di grandi suggestioni.
E’ il 1986 quando Carlo Conte mette tutto il suo saper fare, la sua audacia, le sue conoscenze tecniche, dentro quattro soffici angoli e li trasforma nel più grande gruppo industriale nella lavorazione di materie prime destinate al comfort e al riposo. Comincia così il sogno imprenditoriale del gruppo Conte.
Man mano che l’azienda cresce, nascono così due brand, GoldenNight e Conte Bed, sinonimo di comfort e qualità a livello internazionale e leader, nella produzione di materassi e letti di altissimo pregio con oltre 40.000 metri quadri di area produttiva, in grado di realizzare fino a 600 materassi al giorno, più di 70 dipendenti e 2 showroom di oltre 1.000 metri quadri. Gli anni passano e accanto al signor Conte inizia a camminare suo figlio, Ferdinando. Padre e figlio, sono sinonimo di artigianalità e innovazione. Insieme, portano il Made in Italy dei loro brand a diventare garanzia di altissima qualità manifatturiera. Entrambi sono appassionati e instancabili, perché essere leader non significa solo saper guidare, significa anche e soprattutto essere in grado di incoraggiare le attitudini del singolo perche diventi parte di un progetto più grande, condiviso, sentito, poiché Conte Group prima che un’azienda è una famiglia. La qualità e la minifattura dei loro prodotti diventano una delle firme dei brand GoldenNight e Conte Bed nello scenario internazionale.
L’espansione del gruppo continua in tutto il globo, grazie a vari brevetti innovativi e all’altissima qualità dei propri prodotti.
Conte Group esporta in più di 30 paesi nel mondo con nuove aperture di Gallery Point e Flagship store.
L’Italia e la Puglia, rimangono il cuore dell’intera produzione, come rimangono il motore di ogni cosa, le mani esperte degli operai specializzati che hanno lavorato e lavorano affinché l’azienda cresca mantenendo altissimi i propri standard qualitativi su ogni singolo prodotto.
Tutto questo si trasforma in una solida garanzia per tutti coloro che scelgono di affidarsi al Conte Group.
Non c’è niente di più importante per Carlo e Ferdinando Conte della soddisfazione dei propri clienti. Mai come in questo caso, benessere, comfort e sogni, non sono parole, sono fatti, prodotti, materassi, letti. Sono la nostra azienda.

Grazie a Voi, che scegliete il Gruppo Conte per condividere i vostri sogni.

THE COMPANY

Everything started here, on the land of Murgia. Hard, impenetrable, but capable of great charm. In 1986, Carlo Conte put all of his know-how, his audacity, his technical knowledge, into those corners and he transformed it into the largest industrial Group processing raw materials intended for comfort and relaxation. And so, the entreprenurial dream of the Conte Group began.
Hand in hand, as the company grows, so are two brands: GoldenNight and Conte Bed, synonymous with comfort and quality internationally, and the leader in the production of the highest quality mattresses and beds, with more than 40,000 meters of industrial plant, 70 employees, and 2 showrooms larger than 1,000 square meters, and a production capacity of 600 mattresses a day.
The years pass, and Mr. Conte’s son, Ferdinando, begins to work next to his father.
Father and son, synonymous with craftsmanship and innovation.
Together, they have brought their brands’ Made in Italy to become a guarantee of the highest quality manufacturing. Both are passionate and tireless, because being a leader does not just mean to be able to drive, it also means, above all, to be able to encourage the individual’s attitudes to become part of a larger, shared, feeling project, since the Conte Group is a family first, before being a company.
The quality and manufacture of their products brought the brands GoldenNight and Conte Bed to an international level. Conte’s expansion continues globally, thanks to various innovative patents and the highest quality of their products.
Conte Group export to more than 30 countries worldwide with the new openings of Gallery Point and Flagshipstore. Italy and Puglia remain the heart of the entire production, as the engine of everything remains, the skilled hands of specialized workers who have worked and work for the company to grow by maintaining its own high quality standards on every single product. All this becomes a solid guarantee for all those who choose to trust the Conte Group. There is nothing more important for Carlo and Ferdinando Conte than their customers’ satisfaction. Like never before, mattresses and beds -not only words- are guaranteee for well being, comfort, and dreams. They are our company.

Thank you for choosing the Conte Group to share your dreams.

CONDIZIONI GENERALI DI VENDITA

ORDINI
L'ordinazione implica l'integrale accettazione delle presenti nostre condizioni di vendita, alle quali NON è ammessa deroga alcuna, se non espressamente convenuta per iscritto. Essa si ritiene irrevocabile trascorse ventiquattro ore dal momento in cui CONTE GROUP s.r.l. ne comunica la conferma; pertanto, le parti espressamente convengono che, decorso tal termine, la committente sarà comunque tenuta ad accettare la consegna e ad effettuarne l'integrale pagamento, secondo i termini, le modalità e le condizioni previste nel documento di conferma. Le ordinazioni passate ad intermediari, ad agenti di vendita o direttamente in azienda, vengono da CONTE GROUP s.r.l. assunte con la clausola specifica "salvo approvazione della società venditrice". Eventuali richieste di formati o prodotti particolari saranno valutate di volta in volta.

CONFERMA D'ORDINE E CONSEGNA
CONTE GROUP s.r.l. invierà ciascuna conferma d'ordine indicando i termini approssimativi di consegna al Cliente, decorrenti dalla data della conferma, annotando la concordata modalità di pagamento ed eventuali altre condizioni. La merce viaggia a rischio del committente anche se venduta in porto franco. Spettano pertanto al destinatario la cura e la responsabilità di verificare lo stato del materiale al momento della consegna e di inoltrare contestualmente eventuali reclami al vettore. I termini di consegna non sono in alcun caso tassativi, ma puramente indicativi. Eventuali ritardi non possono quindi costituire motivo di rinuncia o di modifica degli accordi specificati sulla commissione o in nessun caso rivalsa nei confronti del produttore.

TRASPORTO
Condizioni e termini di trasporto saranno definiti di volta in volta con la conferma d'ordine inviata dalla CONTE GROUP s.r.l..

PRODOTTI
I prodotti sono quelli pubblicati e specificati per tipologia nel vigente catalogo. In funzione dell'aggiornamento tecnologico o al fine di migliorare il prodotto, CONTE GROUP s.r.l. può apportare qualsiasi modifica ai suoi prodotti, senza l'obbligo di notificarle alla committente. Le dimensioni dei prodotti sono espresse in centimetri; la produzione è di tipo manifatturiero è può determinare una piccola tolleranza nelle dimensioni indicate, in larghezza, in altezza e in lunghezza. Ove sia necessario per la realizzazione di un manufatto avere delle incollature, le stesse saranno effettuate preservandone il confort. La gamma dei materassi e guanciali prodotti è costituita in gran parte da poliuretani ecologici e viscoelastici; può nel tempo avere una naturale ossidazione (leggero cambio di colore) ma tal eventualità non altera le proprietà del prodotto.

FUORI MISURA E TEMPI DI CONSEGNA
Le richieste di articoli con misure e finiture non di serie saranno valutate di volta in volta da CONTE GROUP s.r.l.; ove sia ritenuto possibile soddisfare tali richieste, saranno comunicati il costo aggiuntivo ed i tempi approssimativi di consegna.

LISTINO
I prezzi indicati sul listino vigente non sono comprensivi di IVA e rappresentano i prezzi suggeriti da CONTE GROUP s.r.l. ai propri rivenditori.

GARANZIA – RECLAMI – RESI
CONTE GROUP s.r.l. garantisce i suoi manufatti a norma della di Direttiva Europea 1999 / 44 / CE attuata in Italia con il Decreto Legislativo n° 24 / 2002 cui si rinvia ai fini della garanzia di due anni, ove il prodotto sia descritto fiscalmente come ceduto a privato. La garanzia tutela eventuali difetti occulti del prodotto, con esclusione di difetti causati da un uso improprio (urti, strappi, lavaggi sbagliati, muffe e macchie di qualsiasi genere e tipo) e o da una cattiva gestione della manutenzione. Per le specifiche previsioni contrattuali in ordine a garanzia del produttore, reclami e resi si rinvia espressamente a quanto previsto nel "Certificato di Garanzia", consegnato contestualmente all'acquisto. In caso di non conformità di ogni genere, il reclamo deve essere inoltrato per iscritto entro e non oltre 5 giorni dal ricevimento. La merce riconosciuta difettosa sarà sostituita con altra uguale o con le medesime caratteristiche. La responsabilità della CONTE GROUP s.r.l., in relazione ai prodotti difettosi non si estende in nessun caso oltre la sostituzione della merce difettosa; non saranno quindi accettate richieste di danni o penali di ogni sorta. I resi per qualsivoglia motivo devono essere autorizzati dalla CONTE GROUP s.r.l.; il reso implica necessariamente un idoneo imballo e una definizione di causale con accettazione da parte dell'azienda. Non si accetta merce di ritorno senza preventiva autorizzazione della CONTE GROUP s.r.l..

PAGAMENTI
Le modalità di pagamento sono concordate in sede d'ordine, in forma scritta. Ogni spedizione è da considerare indipendente dalle altre agli effetti del pagamento. Il ritardo nei pagamenti da parte del committente autorizza CONTE GROUP s.r.l. alla sospensione di ogni ulteriore fornitura. Qualunque contestazione sorgesse tra le parti, anche relativa alle garanzie consentite ed accettate, non comporterà alcun prolungamento nei termini di pagamento convenuti, né il diritto di sospenderli o modificarli, e qualsiasi azione del Cliente non potrà essere ritenuta procedibile se lo stesso non proverà di essere in regola con i pagamenti.

RITARDO NEI PAGAMENTI
In caso di ritardo nel pagamento, si applicherà l'interesse commerciale di mora, come per legge. In caso di controversia, l'acquirente non ha alcun diritto di ritardare o rifiutare il pagamento delle forniture in scadenza. Le vendite con pagamento differito si intendono eseguite con riserva di proprietà da parte del produttore fino all'avvenuto saldo.

CONTO LAVORO
CONTE GROUP s.r.l. accetta commissioni di "conto lavoro" solo su tessuti in tinta unita e comunque non su articoli in pelle. CONTE GROUP s.r.l. si riserva, in ogni caso, la facoltà di valutare eccezionali richieste e di formulare preventivi relativi ai tempi di consegna ed ai costi.

STRUTTURA
Le strutture dei letti sono realizzate in multistrato o in truciolare di legno. Le imbottiture, in poliuretano espanso ad alta densità, sono rivestite in tessuto aggrappante. Qualora il modello lo preveda, la sfoderabilità del letto è garantita sia nelle versioni in tessuto che in quella in pelle.

PELLI E TESSUTI
Le pelli con cui vengono realizzati i prodotti di CONTE GROUP s.r.l. provengono dai migliori allevamenti bovini. Le pelli selezionate vengono trattate in conceria con delle moderne tecniche di colorazione e lavorazione. I segni, come rughe e cicatrici, manifestano il valore delle pelli naturali; ogni letto o complemento in pelle ha particolarità proprie in quanto ogni manto utilizzato per la sua realizzazione ha una storia diversa degli altri che è possibile percepire attraverso i segni naturali impressi in superficie (cicatrici, venature, ombre, graffi, riflessi di tonalità e rughe naturali) che il conciatore mantiene volutamente intatte per salvaguardare la naturalezza dell'articolo. Vi consigliamo di non esporre gli articoli realizzati in pelle vicino a fonti di calore e di evitare l'esposizione diretta alla luce del sole; questo, per prevenire la perdita di colore originaria del rivestimento. Il campionario tessile è disponibile con oltre 300 tessuti che comprendono svariate tonalità di colore, tessuti antimacchia e lavabili, ecopelli, velluti e lini.

BIANCHERIA
La nostra biancheria è resa esclusiva dall'accurata confezione e dalle vaste possibilità di personalizzazione degli articoli. Sono disponibili più di 500 varianti di colore, abbinabili fra loro.
